

District IV Band Auditions

To: District IV Band Directors
From: John Chenault, Audition Chair

Auditions will be held on Saturday, December 12, 2009, at Grassfield High School, in Chesapeake, Virginia. Zach Rooksby, Band Director, will host the auditions. The following procedures will be followed:

1. Students will play the specified major and chromatic scales (memorized), a prepared selection, and then be asked to sight-read. The order of each item may change at the discretion of the judging panel. Students will be allowed thirty seconds in the audition room to study the sight-reading material before they play it.
2. Each director **must bring two students** to assist with auditions. This is a change from past years because we have added many hired judges and we always seem to be short. The district will furnish lunch for the students and the director.

Eligibility and Registration

1. All participating students must be bona fide members of their school band or orchestra.
2. All students must have paid the \$5.00 fee to the audition chairman (through their band director) on or before the due date in order to be eligible to audition. **Band directors must submit student's names and permission slips with the fees. Substitutions are not permitted.**
